112-113-1. Sanctions. (a) Any licensee, certificate holder, permit holder, or applicant may be sanctioned for violating any provision of the act, these regulations, or any other law that directly or indirectly affects the integrity of gaming in Kansas, including a violation of any of the following:

- (1) Failing to disclose material, complete, and truthful information to the commission and its staff;
- (2) failing to comply with any of the duties in article 101;
- (3) being a facility manager and employing unlicensed employees or independent contractors;
- (4) being a facility manager and contracting with uncertified gaming or nongaming suppliers;
- (5) failing to follow the commission's minimum internal control standards or the facility manager's minimum internal control system;

- (7) failing to follow the commission's surveillance regulations or the facility manager's surveillance plan;
- (8) failing to enforce the involuntary exclusion list;
- (9) failing to enforce the facility manager's responsible gaming plan or the provisions of article 112;

(10) failing to post signs informing patrons of the toll-free number available to provide information and referral services regarding problem gambling; or

(11) permitting persons who are less than 21 years of age that do not have an occupation license to be in areas where electronic gaming machines or lottery facility games are being conducted.

(b) The commission, disciplinary review board, and executive director shall have the authority to impose any of the following sanctions:

(1) License, certificate, or permit revocation;

(2) license, certificate, or permit suspension;

(3) license, certificate, or permit application denial;

(4) a monetary fine pursuant to K.S.A. 74-8764 and amendments thereto;

(5) warning letters or letters of reprimand or censure. These letters shall be made a permanent part of the file of the licensee, applicant, permit holder, or certificate holder;

or

(6) any other remedial sanction agreed to by the licensee, applicant, certificate holder, or permit holder.

(c) Each sanction shall be determined on a case-by-case basis. In considering sanctions, the following may be considered by the executive director, disciplinary review board, or commission:

(1) The risk to the public and to the integrity of gaming operations created by the conduct of the licensee, certificate holder, permit holder, or applicant facing sanctions;

(2) the nature of the violation;

(3) the culpability of the licensee, certificate holder, permit holder, or applicant responsible for the violation;

(4) any justification or excuse for the conduct;

(5) the history of the licensee, certificate holder, permit holder, or applicant with respect to compliance with the act, these regulations, or other law; and

(6) any corrective action taken by the licensee, certificate holder, permit holder, or applicant to prevent future misconduct.

(d) In the case of a monetary fine, the financial means of the licensee, certificate holder, permit holder, or applicant may be considered.

(e) It shall be no absolute defense that the licensee, certificate holder, permit holder, or applicant inadvertently, unintentionally, or unknowingly violated a provision of the act or these regulations. These factors shall affect only the degree of the sanction to be imposed by the commission.

(f) Each violation of any provision of these regulations that is an offense of a continuing nature shall be deemed to be a separate offense on each day during which the violation occurs. The commission shall not be precluded from finding multiple violations within a day of those provisions of the regulations that establish offenses consisting of separate and distinct acts. (Authorized by and implementing K.S.A. 2007 Supp. 74-8751 and 74-8772; effective April 17, 2009.)
