KANSAS LOTTERY
COMMISSION REPORT:
(E.)

The commission heard Keith Kocher, director of gaming facilities for the Kansas Lottery, report on the current status of casinos:

- In the Southwest gaming zone, net gaming revenue at Boot Hill Casino and Resort continues to be near pre-opening projections. Additionally, Boot Hill will become a Kansas Lottery retailer for certain lottery games. Last, the events center adjacent to Boot Hill (and which is separately owned) anticipates opening in early 2011.
- In the South Central zone, contract proposals were approved for Peninsula Gaming and Global Gaming. \$25,000,000 in privilege fees from each are due next week. The Review Board's consultants present their analyses at its December 1 meeting.
- In the Northeast zone, Mr. Kocher and Mr. Ed Van Petten, Executive Director of the Kansas Lottery, responded to the commission's request for a discussion about project changes to the Hollywood Casino at Kansas Speedway. The project changes are memorialized in an August 27, 2010 letter from Penn National Gaming, Inc. to the Kansas Lottery. There was significant discussion about the changes themselves, the process leading to the changes, and what precedent this practice establishes for other gaming zones. The commission

recognized that Kansas Lottery has a strong commitment to maintaining the integrity of gaming in Kansas and to seeing that other processes are performed as transparently as possible.

LOTTERY GAMING
FACILITY
REPORTS/ITEMS:
(F.1.)

Mark Kashuda, general manager of the Boot Hill Casino and Resort, gave Boot Hill's report:

- October revenue showed a 5-6% increase over September, partially because there were five weekends in the month.
- November is off to a good start. Hunting season will bring some patrons and Boot Hill has targeted a promotion at them.
- Poker tournaments are going well and have shown a significant positive effect in poker winnings.
- Mr. Van Petten mentioned that starting today there is a joint promotion between the Lottery and the Boot Hill Casino and Resort called "Boot Hill Bounty."

LOTTERY GAMING
FACILITY
REPORTS/ITEMS:
(F.2.)

Jeff Boerger, president of Kansas Speedway Development Corporation, reported on the Hollywood Casino at the Kansas Speedway.

- He distributed the monthly construction report from Turner Construction and reported that construction is going extremely well.

GAMING LABORATORIES
INTERNATIONAL
ANNUAL REPORT:
(G.1.)

The commission heard Kevin Mullally, general counsel and director of government affairs for Gaming Laboratories International (GLI), provide GLI's annual review of Kansas and emerging technology issues:

- GLI has provided testing laboratory services to the commission for three years. Over the past year, GLI's biggest priority was to ensure the proper opening of the Boot Hill Casino and Resort. To that end, GLI tested the GTECH central computer system, the casino's slot management system, all electronic gaming machines and component parts.
- Mr. Mullally reviewed the services provided by GLI and discussed technological issues that will affect Kansas and other casinos in the future.
- He stated that the commission should be congratulated for being the first jurisdiction to have a complete set of responsible gambling programs in place before its casino opened.

PUBLIC COMMENTS:
(H.)

Chair Sader called for public comments. There were none.

STAFF REPORT, MARTIN:
(I.1.)

The commission heard a staff report from Mr. Martin:

- The Kansas Lottery Gaming Facility Review Board had its

first meeting in Sumner County. The Board's next meeting will be December 1, when it will hear from its consultants. The Review Board expects to make its final selection on December 15.

- The Review Board's selection is scheduled to be considered for final approval at the commission's January 14, 2011, meeting.
- Assuming a final approval, then two new casinos will be opening by 2012 (Hollywood Casino and the Sumner County casino). The commission will have a busy coming year preparing for those casinos.

STAFF REPORT, DEINES:
(I.2.)

The commission heard a staff report from Mr. Deines:

- There are currently 18 individuals in the self-exclusion program.
- Twenty-eight relevant calls were made to the Kansas HelpLine in October.

Staff Agenda Memorandum

DATE: December 17, 2010
TO: KRGC Commissioners
FROM: Patrick D. Martin, interim executive director
RE: Quarterly Report on (1) staff out-of-state travel; (2) licensing; and (3) illegal gambling

To ensure that it is being consistent and efficient, the commission has requested quarterly updates on out-of-state travel and licensing matters. Additionally, the commission has received sporadic updates on its illegal gambling efforts. This memo puts all three on an even schedule.

I. Out-of-State Travel

Pursuant to Commission Policy 3-05 regarding travel, the executive director is required to submit a “quarterly report . . . detailing all staff travel authorized for that quarter and listing for each trip the employees who traveled, purpose of the trip and total expenses incurred.” Because the Commission maintains its background investigation details as highly confidential, the quarterly travel report has never disclosed out-of-state trips for investigative or targeted purposes. Instead, these trips fall into the “indirect expense” category of the commission’s work.

For the first quarter (July through September) of the State’s FY 2011, commission staff made this out of state travel:

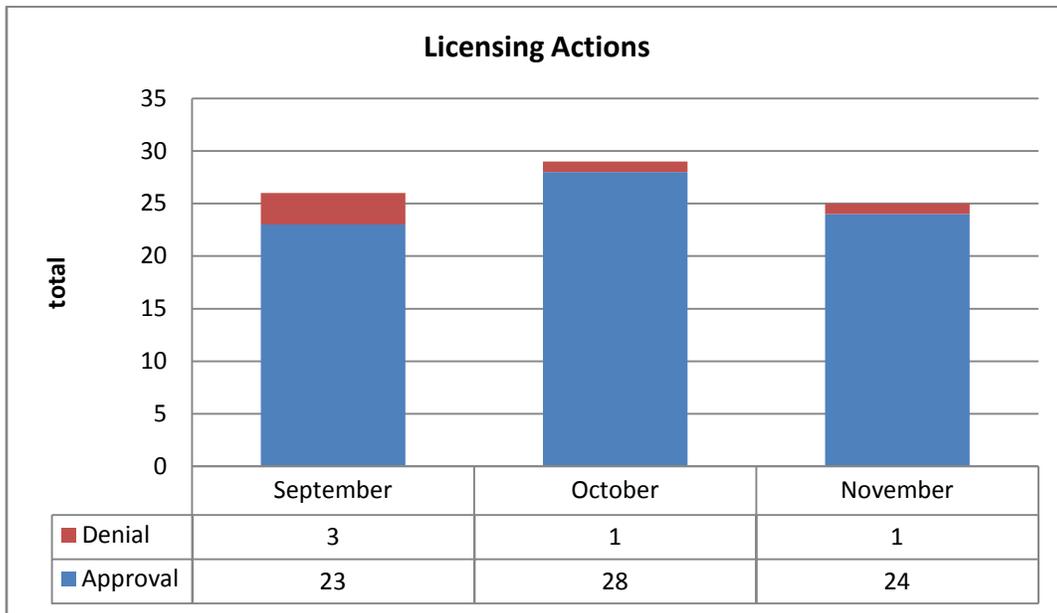

Purpose	Problem Gaming	Problem Gaming	Law Enforcement	Law Enforcement	Investigation School	Computer Forensics
Traveler	C. Spiker	M. Deines	J. Root	D. Bachman	D. Bachman	D. Bachman
Dates	July 27-30	July 28-29	Sept. 13-17	July 25-28	Aug 29 - Sept 3	Sept 12-17
Destination	KCMO	KCMO	Branson MO	KCMO	Spokane WA	KCMO
Registration	225	195	free	free	free	free
TOTAL	499.71	352	636.71	561.99	1,912.62	783.1

II. Licensing

We continue to experiment with how to provide the commission with a glimpse of important licensing issues at Boot Hill Casino and Resort. In the last quarter’s report we showed that:

- 82% of applicants received temporary licenses to begin working immediately after preliminary background checks showed no disqualifying information;
- 32% of applicants withdrew their application before a licensing decision;
- 7% of all applicants were denied a license, and those denials were focused on providing false information or “having present or prior activities, criminal records, reputation, habits, or associations that pose a threat to the public interest or to the effective regulation of gaming.”

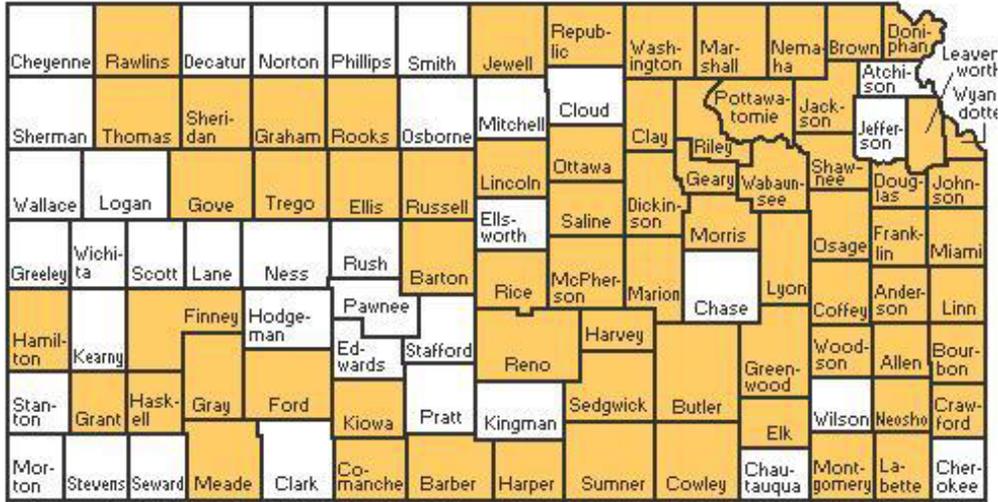

In this quarter, we have tried to capture how well the agency is processing its background investigations. Specifically, in the last three months, the commission has considered 80 backgrounds, which is an average of 27 per month. The agency currently has 147 pending applications. The commission took these actions on the 80 backgrounds it considered:

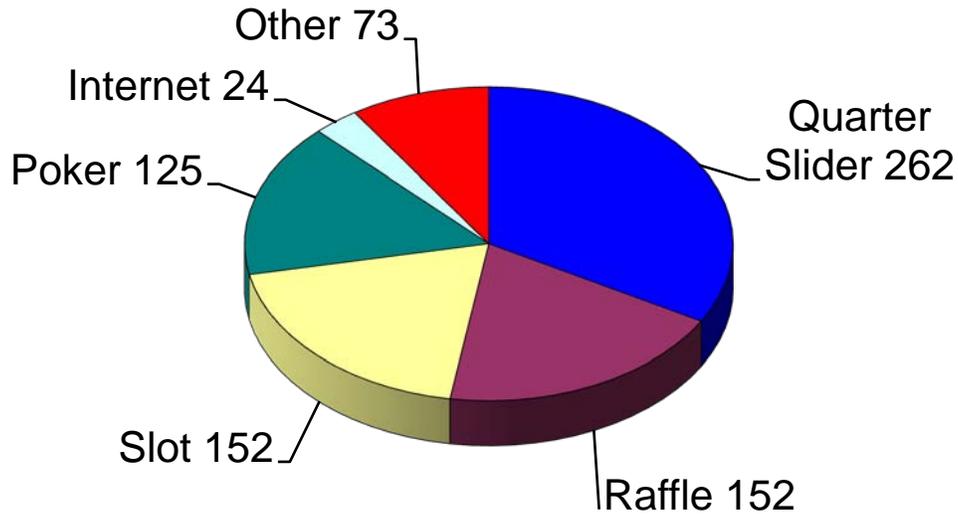

As in the first part of 2010, applicants who failed to provide information requested in a background or provided false information shared the brunt of the denials.

III. Illegal Gambling

Since January of 2008, the commission has acted as the state-level coordinating agency for illegal gambling complaints. In that time, the commission has received 788 illegal gambling complaints, touching on these 69 of 105 counties:

The complaints have fallen into these general sub-categories:
