LOTTERY GAMING
FACILITY
REPORTS/ITEMS; BOOT
HILL CASINO AND
RESORT:
(E.1.)

Sharon Stroburg, General Manager, reported:

- For the month of October 2013, Boot Hill Casino and Resort (BHCR) experienced an increase of four percent over prior month. This was prompted by an increase in table hold percentage and total table revenue.
- Weather has hurt business in the past week, but the beef promotions of one pound prime rib for \$9.99, a rib eye steak for \$12.99 and a filet mignon at \$14.99 have been positive. These promotions have been better at driving traffic through the doors than the giveaway promotions that BHCR has done in the past.
- The United Wireless Arena will host:
 - Its final concert of 2013 on December 19th.
 - Home games for an Arena Football League.
 - Alan Jackson, country singer, will perform on February 27, 2014.
- Commissioner McKinney asked Ms. Stroburg how communication and cooperation between BCHR and the United Wireless Arena has been going with Ms. Stroburg stating that everything is going great.

LOTTERY GAMING
FACILITY
REPORTS/ITEMS;
KANSAS STAR:
(E.2.)

Scott Cooper, General Manager, reported:

- November admissions were up one percent from October 2013.
- November revenue numbers compared to October 2013:
 - Total gaming revenue up two percent.
 - Slot coin-in (handle) flat.
 - Slot win was up 3.8 percent. Hold up slightly.
 - Table game drop flat.
 - Table game win down six percent. Hold down 1.5 percent.
 - Poker room revenue up 3.6 percent.
- Panini Joe's (deli), originally opened with access to the hotel only, is now open with direct access from the casino.
- A proposal has been approved to modify the original space of the equestrian facility. Instead of the original 624 stalls that were approved, there will be around 200 or less permanent stalls but leaving availability to increase to 500, 600 or 800 stalls if needed. The equestrian facility was originally positioned in the south parking lot (old entry into the arena casino), eliminating 800 parking spaces. Under the new proposal, Kansas Star will move the permanent almost 200 stall facility west, using twenty to twenty-five percent of that parking space. Kansas Star Casino will build a 10,000 square foot structure for meeting/convention space, which will be built on the east side of the arena and attached to the casino and arena. This project is expected to be completed by January 2015. There are about ten equestrian events planned for 2014 and there will be plenty of parking to accommodate horse trailers.
- Upcoming Kansas Star Arena events are:
 - Celtic Woman concert on December 13, 2013.

LOTTERY GAMING
FACILITY
REPORTS/ITEMS;
HOLLYWOOD CASINO AT
KANSAS SPEEDWAY:
(E.3.)

Bob Sheldon, General Manager, reported:

- Visitation increased over November of last year and again contributed to increased gaming revenues year over year for the month.
- November revenue numbers compared to November 2012:
 - Total gaming revenue was \$10.9 million, up \$1.1 million, or eleven percent.
 - Table games revenue was \$1.6 million, down \$60,000, or four percent.
 - Slot revenue was \$9.3 million, up \$1.1 million, or fourteen percent.
- The normal compliment of weekly gaming promotions occurred throughout the month of November. In addition to

Hollywood Casino's Pigskin Playoff promotion, throughout November, slot patrons earned entries into the \$30,000 Cornucopia Giveaway. The prize drawing was held on November 29th, where the winners were awarded prizes ranging from \$500 up to \$15,000.

- The Thanksgiving holiday proved beneficial with business particularly strong on Black Friday following the Thanksgiving holiday.

HOLLYWOOD CASINO AT KANSAS SPEEDWAY
REPORT PRESENTED TO
THE KANSAS RACING AND GAMING COMMISSION
JANUARY 17, 2014

BY: BOB SHELDON – VICE PRESIDENT & GENERAL MANAGER

Total Gaming Revenue was \$10.6 MM in December 2013 which was \$325 K, or 3%, less than December 2012.

Slot Revenue was \$9.0 MM which was an increase of \$125 K or 1.4 %, over the prior year.

Table Games Revenue was \$1.6 MM, which was down \$450 K or 21.9% compared to prior year. While table games volume was down somewhat, a large portion of the YOY variance is due to some large progressive jackpots that were hit by some lucky patrons on our carnival table games.

We continued with our customary programmed marketing promotions in December which included a Pigskin Payoff cash drawing. In addition, we provided patrons the opportunity to acquire gift cards for holiday shopping at the two major retailers in the Village West area. This was very well received by our guests and is the second year we have conducted this promotion. New Years Eve was a hit this year as the weather held out and we saw strong volumes driven by numerous events on property that included; a VIP brunch and dinner in our Marquee Café, a live band performance on a stage set up on our casino floor. We concluded the New Year countdown with a spectacular fireworks show conducted from Turn 4 of the Kansas Speedway.

STAFF AGENDA MEMORANDUM

MEETING DATE: January 17, 2014

AGENDA ITEM: Quarterly Reports on (1) staff out-of-state travel, (2) licensing and (3) illegal gambling

PRESENTER: Richard Petersen-Klein

To ensure that it is being consistent and efficient, the commission has requested quarterly updates on out-of-state travel, licensing matters, and illegal gambling efforts.

I. OUT-OF-STATE TRAVEL

The quarterly out-of-state travel report includes the employees who traveled and the purpose of the trip and the total expenses incurred for the trip. Because the Commission maintains its background investigation details as highly confidential, the quarterly travel report does not include out-of-state trips for investigative or targeted purposes.

For the second quarter (October through December) of the State’s FY 2014, commission staff out-of-state travel includes:

Purpose of Trip	Traveler	Dates	Destination	Registration	Total
Mid-States Organized Crime Information Center Conference	Darin Altenburg	09/9/13 – 09/13/13	Bloomington, IL	\$150	\$1,051.44
Midwest Gaming Investigators & Regulators Conference	James Root	10/7/13 – 10/10/13	Larchwood, IA		\$344.05

II. LICENSING

Objectives of the commission include conducting timely, but thorough, background investigations on all gaming employees, management contractors, manufacturers and distributors seeking licensure at lottery gaming facilities located in this state. Background investigations are conducted to protect the public interest by maintaining a legitimate and viable gaming industry assuring honesty, good character and integrity of racing and gaming facility operators, employees, and vendors. Following is the licensing report for the October through December FY 2014 quarter. The three previous quarters are included for comparison purposes.

III. ILLEGAL GAMBLING

The Commission acts as the state's coordinating agency for most illegal gambling questions and complaints. That role requires the KRGC to employ educational, administrative and law enforcement methods to maintain the integrity of gaming in Kansas and to help curtail illegal gaming.

Since 2008, the Commission has received 1,392 total illegal gambling-related questions or complaints from the general public. During the fourth quarter of 2013, the Commission received eighteen calls and emails from the general public, down from forty-nine calls the previous quarter and down from forty-three calls from the fourth quarter of 2012.

Of the 18 calls and emails received in Q-4, six (6) involved inquiries and complaints involving raffles; one (1) involved a poker game; five (5) pertained to reports of various illegal gambling devices found in bars, restaurants and convenience stores; and six (6) calls involved miscellaneous inquiries regarding the legality of planned lotteries and other entertainment ventures where the legality of the activity was questioned.

Breakdown of illegal gambling inquiries and complaints to-date:

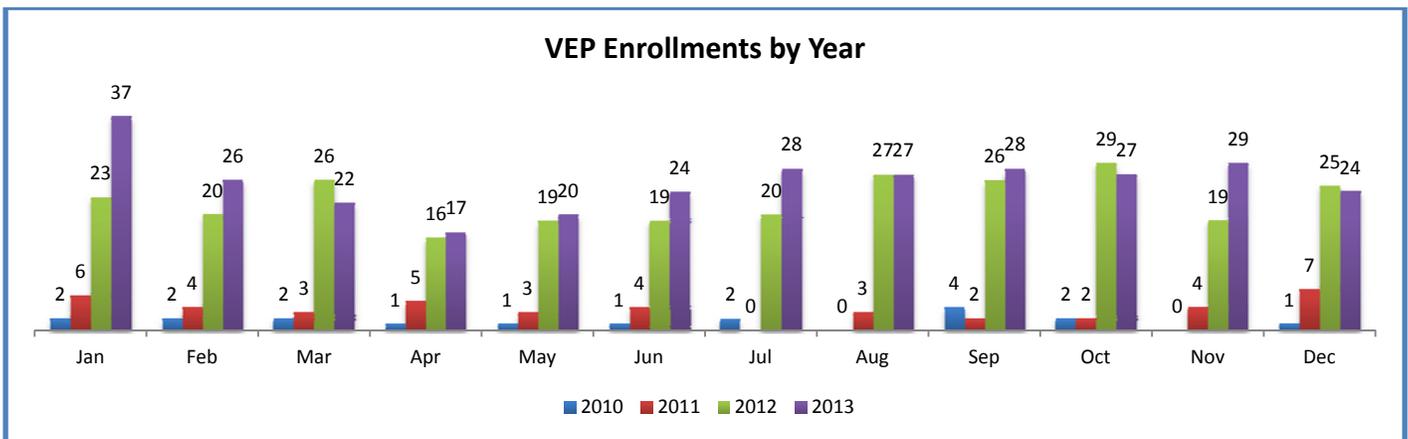

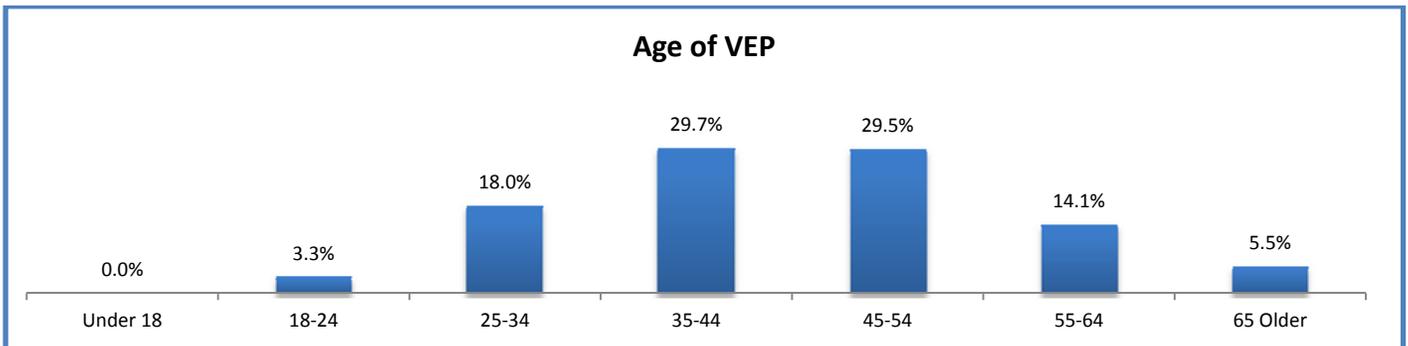

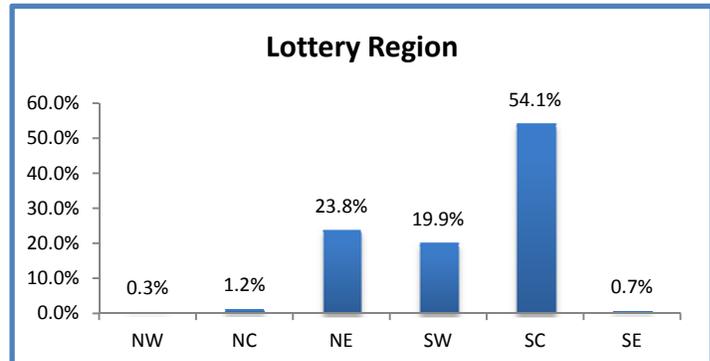

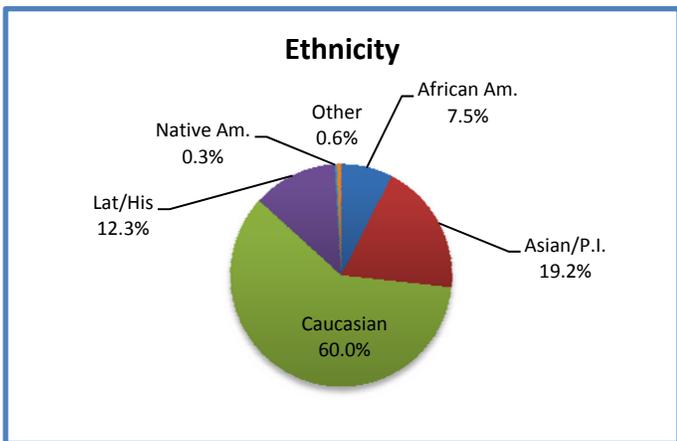

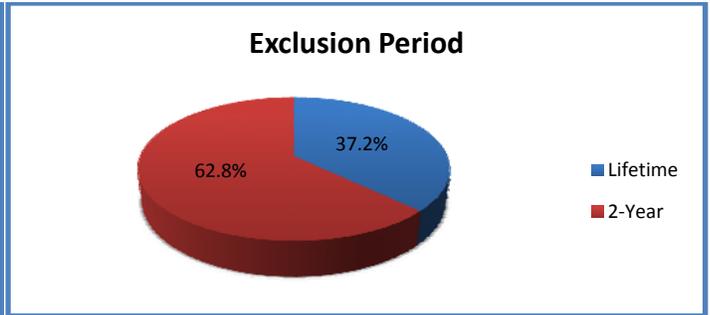

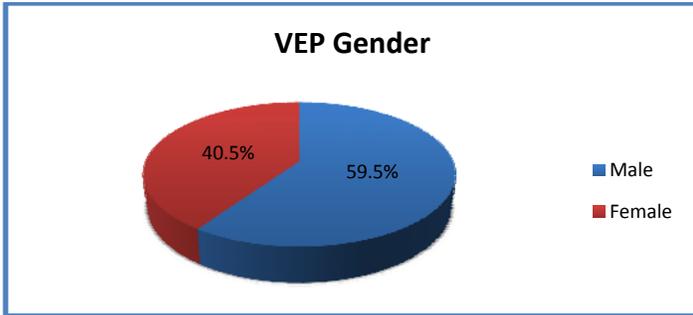

The above chart does not reflect calls and activity related to the following:

- Constituents who receive answers from our Illegal Gambling Frequently Asked Questions web page, located here: www.krgc.ks.gov/illegalfags.
- Calls made directly to KRGC agents by other law enforcement officers around the state.
- Time Spent by agents and legal counsel to assist in active local investigations and prosecutions.
- Educational meeting between legal counsel and county and district attorneys to discuss legal aspects of illegal gambling and the services that KRGC can provide.
- Time spent pursuing seizures and forfeitures of illegal gambling devices.
- There was one (1) seizure of an illegal machine during Q-4 of 2013. There were twenty-nine (29) machines destroyed during Q-4 of 2013.
