REPORT PRESENTED TO
THE KANSAS RACING AND GAMING COMMISSION
DECEMBER 14, 2012

BY: SHARON STROBURG

- 1) November came in approximately 2% over last year's revenue and 1% over last month. Our ability to increase revenue for this quarter continues to be negatively impacted by the decrease in motor coach business.
- 2) Breezeway construction connecting BHCR and United Wireless Arena is expected to be completed in December, which is the completion of Phase II, excluding the additional movement of games.

HOLLYWOOD CASINO AT KANSAS SPEEDWAY
REPORT PRESENTED TO
THE KANSAS RACING AND GAMING COMMISSION
DECEMBER 14, 2012

BY: BOB SHELDON – VICE-PRESIDENT & GENERAL MANAGER

Although November had one less day than the prior month of October, general business volume was good and Total Gaming had a slight increase of 1.5% resulting in revenue of \$9.8 million. Slot revenue was up over the prior month. Table games volume was about equal, however table games revenue was down due to the hold percentage compared to the prior month which had a higher than normal hold percentage. Total visitors were down about 3% as a result of having one less day.

The Thanksgiving holiday proved beneficial with business particularly strong on Black Friday following the holiday. We also offered several promotional giveaways during the month in an effort to drive additional visitation during key periods.
