HOLLYWOOD CASINO AT KANSAS SPEEDWAY
REPORT PRESENTED TO
THE KANSAS RACING AND GAMING COMMISSION
APRIL 19, 2013

BY: BOB SHELDON – VICE-PRESIDENT & GENERAL MANAGER

We had a strong March in terms of overall gaming revenues and visitation. As with the prior month though, we experienced some significant revenue loss during a few days due to a large snow storm.

Total Gaming Revenue was \$11.9 MM which was 14% higher than February and an increase of 9% or \$1.0MM over March of last year.

Table Games Revenue was \$1.7 MM, which was 7% greater than February but down 13% from March of last year.

Slot Revenue was \$10.2 MM which was an increase of 16% over February and 14% over March of last year.

We introduced some March Madness basketball related promotions in our F & B operation which drove some good visitation to our Turn 2 sports bar & restaurant. However the success of the Kansas teams in the conference tournaments and NCAA tournament can impact overall casino attendance on game days due to the large fan base following the games either at home or elsewhere. We did run other monthly casino promotions and food specials as well, that proved successful.

STAFF AGENDA MEMORANDUM

MEETING DATE: April 19, 2013

AGENDA ITEM: Quarterly Reports on (1) staff out-of-state travel, (2) licensing and (3) illegal gambling

PRESENTER: Richard Petersen-Klein

To ensure that it is being consistent and efficient, the commission has requested quarterly updates on out-of-state travel, licensing matters, and illegal gambling efforts.

I. OUT-OF-STATE TRAVEL

The quarterly out-of-state travel report includes the employees who traveled and the purpose of the trip and the total expenses incurred for the trip. Because the Commission maintains its background investigation details as highly confidential, the quarterly travel report does not include out-of-state trips for investigative or targeted purposes.

For the third quarter (January through March) of the State's FY 2013, commission staff out-of-state travel includes:

II. LICENSING

Objectives of the commission include conducting timely, but thorough, background investigations on all gaming employees, management contractors, manufacturers and distributors seeking licensure at lottery gaming facilities located in this state. Background investigations are conducted to protect the public interest by maintaining a legitimate and viable gaming industry assuring honesty, good character and integrity of racing and gaming facility operators, employees, and vendors. Following is the licensing report for the October through March FY 2013 quarter. The three previous quarters are included for comparison purposes.

III. ILLEGAL GAMBLING

The Commission acts as the state's coordinating agency for most illegal gambling questions and complaints. That role requires the KRGC to employ educational, administrative and law enforcement methods to maintain the integrity of gaming in Kansas and to help curtail illegal gaming.

Since 2008, the Commission has received 1,287 total illegal gambling-related questions or complaints from the general public. During the first quarter of 2013, the Commission received 59 calls and emails from the general public, up sixteen (16) from the previous quarter and up twenty-seven (27) from the first quarter of 2012.

Of the 59 calls and emails received in Q-1, nineteen (19) involved inquiries and complaints involving raffles; seventeen (17) involved poker runs, poker games and poker tournaments; thirteen (13) pertained to reports of various illegal gambling devices found in bars, restaurants and convenience stores; and ten (10) calls involved miscellaneous inquiries, primarily regarding sports betting and the legality of planned lotteries and other entertainment ventures. The following chart primarily represents calls from the general public.

Breakdown of illegal gambling inquiries and complaints to-date:

The above chart does not reflect calls and activity related to the following:

- Constituents who receive answers from our Illegal Gambling Frequently Asked Questions web page, located here: www.krgc.ks.gov/illegalfaq.
- Calls made directly to KRGC agents by other law enforcement officers around the state.
- Time Spent by agents and legal counsel to assist in active local investigations and prosecutions.
- Educational meeting between legal counsel and county and district attorneys to discuss legal aspects of illegal gambling and the services that KRGC can provide.
- Time spent pursuing seizures and forfeitures of illegal gambling devices.
