

112-104-26. Gaming facility. (a) Each facility manager's internal control system shall include internal controls for the gaming facility requirements contained within this regulation. The internal controls shall be submitted to and approved by the commission according to K.A.R. 112-104-1. Each gaming facility shall be equipped with a surveillance system configured and approved in accordance with article 106.

(b) Restricted areas within the gaming facility shall be designated for the repair and storage of EGMs. The areas approved and utilized within the gaming facility for EGM repair shall be monitored by the surveillance system.

(c) Each emergency exit from the gaming floor shall be equipped with an audible alarm system that produces a loud, distinguishable warning sound, discernable in the vicinity of the exit, whenever the emergency door is opened. The alarm system shall be designed to require deactivation and reset by means of a key. The key shall be maintained by the facility manager's security department.

(d) Each facility manager shall, in accordance with the act, provide for and maintain facilities for use by the commission and the Kansas lottery for the purpose of carrying out each commission's responsibilities. The facilities shall be located in the same building as the gaming floor and shall include adequate office space, equipment, partitions, and supplies to meet the continuing needs of the commission and the Kansas lottery at the facility, including the following:

(1) A surveillance system monitoring room that meets all of the requirements of K.A.R. 112-106-1(o);

(2) an area for detention that meets all of the requirements of K.A.R. 112-105-6;

(3) a fingerprinting and photographing facility for use by the commission, located in conformance with and outfitted in compliance with specifications established by the commission;

(4) adequate computer, telephone, and copying capability to meet the commission's and the Kansas lottery's continuing data processing and related needs;

(5) direct telephone connections between these facilities and the facility manager's surveillance monitoring room and its security department; and

(6) computer terminals facilitating read-only access to any EGM computer system used by the facility manager in its gaming operations.

(e) The keys or alternative locking mechanisms securing access to the on-site facilities shall be under the exclusive custody and control of the commission or the Kansas lottery.

(f) Each facility manager shall provide additional accommodations within the gaming facility upon receipt of a written request from the executive director or the Kansas lottery to accommodate periodic audit, compliance, or investigative reviews at the gaming facility.

(g) Each facility manager shall provide adequate parking spaces adjacent or proximate to the on-site facilities, clearly marked for the commission and the Kansas lottery use only.

(h) Each facility manager shall equip the facility with communication systems necessary to ensure communication between the gaming facility and the commission, the Kansas lottery, and any applicable local law enforcement agency or emergency first responders. (Authorized by and implementing K.S.A. 2007 Supp. 74-8772; effective Sept. 26, 2008.)
