

**112-108-10. Chip specifications.** (a) Each value chip issued by a facility manager shall have the following characteristics:

- (1) Be round;
  - (2) have clearly and permanently impressed, engraved, or imprinted on it the name of the facility manager and the specific value of the chip;
  - (3) have, at least on one side of the chip, the name of the city or other locality and the state in which the gaming facility is located and either the manufacturer's name or a distinctive logo or other mark identifying the manufacturer;
  - (4) have its center portion impressed, engraved, or imprinted with the value of the chip and the name of the facility manager that is issuing the chip;
  - (5) utilize a different center shape for each denomination;
  - (6) be designed so that the specific denomination of a chip can be determined on surveillance camera monitors when placed in a stack of chips of other denominations;
- and
- (7) be designed, manufactured, and constructed so as to prevent the counterfeiting of value chips.

(b) Unless otherwise authorized by the executive director, value chips may be issued by facility managers in denominations of \$1, \$2.50, \$5, \$20, \$25, \$100, \$500, \$1,000, \$5,000, and \$10,000. Each facility manager shall have the discretion to determine the denominations to be utilized at its gaming facility and the amount of each denomination necessary for the conduct of gaming operations.

(c) Unless otherwise authorized by the executive director, value chips worth less than \$500 shall have a diameter of 39 millimeters, and value chips worth equal to or greater than \$500 shall have a diameter of 43 millimeters.

(d) Each denomination of value chip shall have a different primary color from every other denomination of value chip. Unless otherwise approved by the executive director, value chips shall have the colors specified in this subsection when the chips are viewed both in daylight and under incandescent light. In conjunction with these primary colors, each facility manager shall utilize contrasting secondary colors for the edge spots on each denomination of value chip. Unless otherwise approved by the executive director, no facility manager shall use a secondary color on a specific denomination of chip identical to the secondary color used by another facility manager in Kansas on that same denomination of value chip. The primary color to be utilized by each facility manager for each denomination of value chip shall be as follows:

- (1) For \$1, white;
- (2) for \$2.50, pink;
- (3) for \$5, red;
- (4) for \$20, yellow;
- (5) for \$25, green;
- (6) for \$100, black;
- (7) for \$500, purple;
- (8) for \$1,000, fire orange;

(9) for \$5,000, grey; and

(10) for \$10,000, burgundy.

(e)(1) Each non-value chip utilized by a facility manager shall be issued solely for roulette. Each non-value chip at each roulette table shall meet the following conditions:

(A) Have the name of the facility manager issuing it impressed into its center;

(B) contain a design, insert, or symbol differentiating it from the non-value chips being used at every other roulette table in the gaming facility;

(C) have "Roulette" impressed on it; and

(D) be designed, manufactured, and constructed so as to prevent counterfeiting;

(2) Non-value chips issued at a roulette table shall be used only for gaming at that table and shall not be redeemed or exchanged at any other location in the gaming facility.

When so presented, the dealer at the issuing table shall exchange these chips for an equivalent amount of value chips.

(f) No facility manager or its employees shall allow any patron to remove non-value chips from the table from which the chips were issued.

(g) No person at a roulette table shall be issued or permitted to game with non-value chips that are identical in color and design to value chips or to non-value chips being used by another person at the same table. When a patron purchases non-value chips, a non-value chip of the same color shall be placed in a slot or receptacle attached

to the outer rim of the roulette wheel. At that time, a marker denoting the value of a stack of 20 chips of that color shall be placed in the slot or receptacle.

(h) Each facility manager shall have the discretion to permit, limit, or prohibit the use of value chips in gaming at roulette. Each facility manager shall be responsible for keeping an accurate account of the wagers being made at roulette with value chips so that the wagers made by one player are not confused with those made by another player at the table. (Authorized by and implementing K.S.A. 2008 Supp. 74-8772; effective Jan. 8, 2010.)
