

112-108-11. Submission of chips for review and approval. (a) Each facility manager shall submit a sample of each denomination of value chips and non-value chips to the executive director for approval. No facility manager shall utilize these chips for gaming purposes until approved in writing by the executive director.

(b) In requesting approval of any chips, a facility manager shall submit to the commission a detailed schematic of its proposed chips and a sample chip. The detailed schematic shall show the front, back, and edge of each denomination of value chip and each non-value chip and the design and wording to be contained on the chip. If the design schematics or chip is approved by the executive director, no value chip or non-value chip shall be issued or utilized unless a sample of each denomination of value chip and each color of non-value chip is also submitted to and approved by the executive director.

(c) The facility manager shall provide the name and address of the chip manufacturer to the commission.

(d) No facility manager or other person licensed by the commission shall manufacture for, sell to, distribute to, or use in any gaming facility outside of Kansas any value chips or non-value chips having the same design as that approved for use in Kansas. (Authorized by K.S.A. 2008 Supp. 74-8772; implementing K.S.A. 2008 Supp. 74-8752 and 74-8772; effective Jan. 8, 2010.)
