

112-108-51. Maintaining table game statistical data. (a) Each facility manager shall maintain records showing the statistical drop, statistical win, and statistical win-to-drop percentages for each gaming table and type of game. These records shall be maintained by day, cumulative month-to-date, and cumulative year-to-date.

(b) Each facility manager shall prepare and distribute statistical reports to gaming facility management on at least a monthly basis. Fluctuations outside of the standard deviation from the base level shall be investigated, and the results shall be documented in writing and retained, with a copy submitted to the commission. For the purposes of this regulation, the "base level" shall be defined as the facility manager's win-to-drop percentage for the previous business year or previous month in the initial year of operations.

(c) The gaming facility management shall investigate with pit supervisory personnel any fluctuations outside of the standard deviation from the base level in table game statistics. At a minimum, investigations shall be performed for a month for all percentage fluctuations in excess of three percent from the base level. The results of each investigation shall be documented in writing and maintained for at least seven years by the licensee.

(d) Reports of daily table game drop, win or loss, and percentage of win or loss shall be given to the commission, as requested. In addition, if gaming facility management has prepared an analysis of specific table wins, losses, or fluctuations outside of the standard deviation from the base level, these reports shall also be given to

the commission. (Authorized by and implementing K.S.A. 2008 Supp. 74-8772;
effective Jan. 8, 2010.)
